

AN ARIAL VIEW OF PROMISED LAND CAMP

News Flash!

Bell Canada has removed the pay phone at Promised Land Camp due to the low usage. The cellular reception has strengthened over the last year, so more people are using their cell phones. Sorry for any inconvenience this may cause our clients.

PLC NEWSLETTER 2014

Message from Linda and Henning

2014 was a cool and wet year everywhere in Ontario, so we at PLC were not much different. Our clients are so amazing, you all made the best of the crazy weather. When it was cold and raining, the camp grounds were empty and all people were inside the cottages. As soon as it was dry and there was a hint of sun, everyone came outside, until it rained again and so the cycle went. That being said, we did have some awesome wild life visit regularly.

Deer on the Soccer Field

Henning moved the deer feeder back up behind the fish cleaning hut and therefore we had many deer visit us throughout the season

PLC Store

The store got a facelift this year and we added a few new items for your convenience. We also created the PLC cookbook. Sonny was the editor who pulled it together and the recipes are those favorite ones that I am constantly being asked for. We are looking at doing a second edition this year with all your favorite recipes that you make while you are here. If you have one and would like to share it, please send me a copy and we may include it in the next edition. A picture would also be appreciated. You can email it to me at info@promisedlandcamp.net

Kelli and Dennis wed at PLC

on October 4, 2014

Kelli and Dennis chose Promised Land Camp to host their wedding. With much planning and several trips to PLC over the year, they created a spectacular event.

They were wed in front of cottage #7 at 4:30 in the afternoon with all their friends and family around them. Cocktails were served on the beach even though it was a little chilly, the rain did hold off for the ceremony and cocktail hour. Excellent planning saw a huge tent and a couple of port-a-potties

placed in front of cottages #1 and #2. The caterers served a gourmet meal and the DJ had us dancing until 1 AM. Consideration for the guests was at the forefront, so Kelli and Dennis rented busses to transport everyone back to their hotel at the end of the evening.

CONGRATULATIONS

Henning and I wish you a life time of health and happiness.

Campfire at the Point

Marshmallows and bannock are always a hit.

Craft day is fun for the kids and a break for the parents. Linda also loves spending time with the little ones! Everyone wins!

Did he turn into a Prince???

There was an abundance of frogs this year and to Linda's delight not so many snakes!

Family Fun July and August

There are so many things to keep everyone busy during the summer, even when the weather is not so great. Seeing friends from last year is the bonus worth waiting for!

OTHER EVENTS

Provincial Archery Tournament

The qualifying Provincial Archery Tournament was held here at Promised Land Camp in September. We had over 120 archers here including an Olympic contender and our local superstar.
